ACTA UNIVERSITATIS SAPIENTIAE

Scientific Journal of Sapientia
Hungarian University of Transylvania

2008–2023: 12 series; 2024–: 10 series

270 issues published

The International Scientific Journal of Sapientia Hungarian University of Transylvania, Cluj-Napoca (Romania), publishes original papers in English in several areas of sciences.

Initiated by **Sándor Tonk** (1947−2003), the first Rector of Sapientia Hungarian University of Transylvania, it was brought to fruition by **Antal Bege** (1962−2012), the first Editor-in-Chief.

The series of the journal *Acta Universitatis Sapientiae* form two groups based on the publishing policy as follows:

1. The series *Alimentaria*, *Agriculture and Environment*, *Economics and Business*, *Philologica*, *Social Analysis*, *Electrical and Mechanical Engineering*, and *Legal Studies* are published by Scientia Publishing House.

   These are **open access** series. We follow the rules the OA definition formulated in accordance with the Budapest Open Access Initiative (BOAI).

   Users are allowed to view, save, copy, distribute, print, search, or link the full content or use them for any legitimate purposes without the prior consent of the author or publisher.

2. As of the year 2025, the series *Mathematica, Informatica*, and *Film and Media Studies* are published with Springer Nature.

   These series appear under a **hybrid publishing model**, allowing authors to opt either for subscription-based (no APC required) or open access (APC applies) publication. This choice is offered once the paper has been accepted.

All series are available under CC BY-NC-ND licensing.
